

All-America Alliance Is Put in Effect

By WILLIAM L. RYAN

PUNTA DEL ESTE, Uruguay (AP) — Western Hemisphere statesmen put finishing touches today on a historic declaration laying the American states in a mighty push for progress.

President Kennedy's Alliance for Progress program will become a reality Wednesday when ministers of 20 American states — and perhaps 21 — gather for a ceremonial signing of the Declaration of Punta del Este. It will be the final act in the Inter-American Economic Conference which has been meeting here since Aug. 5.

The declaration will put into motion Kennedy's program designed to pump \$20 billion into Latin American economies in a determined move to hold back the double threat of communism and Castroism.

A U. S. source said Kennedy's representatives at the Inter-American Economic Conference feel strongly that the alliance will inspire Latin Americans to help themselves. Self-help is one of the most important aspects of participation in the program.

"Most of the nations realize," the informant said, "that if they are going to develop at all, they must mobilize their own resources. There is a realization that many countries, by the very term 'underdeveloped' being applied to them, are urgently in need of technical assistance in their attempt to help themselves."

The intent of the declaration is to extend lightning aid to countries in dire straits, where the political threats engendered by economic woes are great. By unanimous vote — with Cuba's economic chief, Ernesto Guevara, abstaining — the main committee of the conference accepted Kennedy's pledge of more than a billion dollars by next March for Latin America's most depressed area. The pledge is being incorporated in the final act of the Punta del Este meeting.

The United States plans to pour more than a billion a year for the next 10 years into Latin American development. It hopes this will be swelled to a total of \$20 billion by other foreign aid sources, including private investors and governments of Europe and Japan.

One big question remained at the 12-day conference drew to a close — and it makes little difference which way it finally is answered. That is whether the Castro regime will sign the final declaration.

On Sunday, Aug. 20, the local VFW Post will take to Fort Roots Veterans Hospital at Little Rock, 10,000 pounds of watermelons. The members who will make the trip will slice and serve some 150 patients at the melon they want.

This is a once-a-year project for the club and is largely financed through their Buddy Poppy sales each year.

The melons are grown and furnished by John Lloyd, local farmer. Transportation arranged through compliments of Perry's Truck Stop. On Tuesday night, August 15, at their regular meeting final plans will be completed for this trip. All members are asked to be present, especially those who will make the trip.

Red Tape Cut to Speed Up Plane Return

By BARR YSCHEWID

WASHINGTON (AP) — The United States is slashing through the red tape that binds dealings with Cuba in preparation for the return of a hijacked Eastern Airlines plane.

In an agreement between the two countries, the United States will release a Cuban patrol boat to Cuba while Cuban Prime Minister Fidel Castro lets an American crew fly the plane to the United States.

Although the agreement was announced only Saturday, the airliner and the patrol boat are expected to head for their homes Tuesday. This means a speed-up in clearing an Eastern Airlines crew for travel to Havana. Normally, an American has to follow an involved procedure in getting to Cuba.

The two countries no longer have diplomatic relations, and travel to Cuba for Americans generally is barred. On special occasions, the U. S. government permits such travel, but a visa has to be obtained from Cuba, and this is done through a third country which has dealings with the United States and the Castro government.

The U. S. government also is prepared to ask the Florida courts to give the patrol boat immunity. Charles R. Ashmann, an attorney for Harris & Co., a Florida advertising agency, has said this company obtained a Circuit Court order tying up the 40-foot, \$50,000 craft last week. He said Sunday night the boat "isn't going anywhere Tuesday" without a State Department request for its release.

Harris has been seizing Cuban property wherever he found it in Florida to satisfy a \$429,000 judgment he won in prosecution of a claim against Cuba. The claim was based on an advertising bill incurred by the Cuban Tourist Commission.

In the U. S. note to Cuba, released last Saturday, the United States said its policy is "where property of a foreign government has been made subject to court process in the United States . . . to indicate to the court that the United States government recognizes that such property is immune from execution to satisfy a judgment against the foreign government."

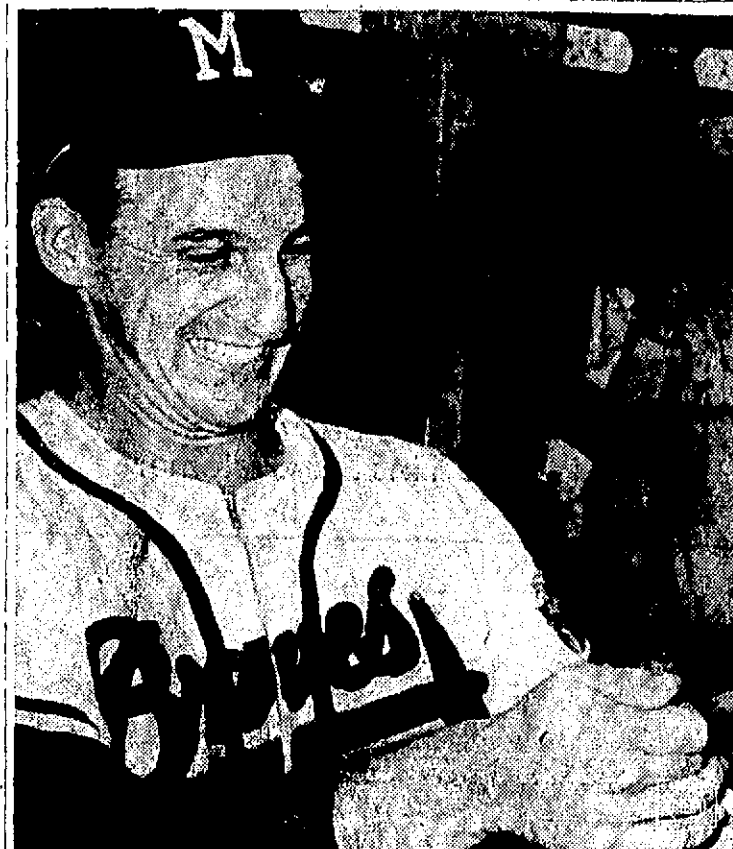

Joseph W. Reap, a State Department press officer, said Sunday night he knew of no change in the arrangement to turn the vessel over to Cuban technicians and seamen at Key West Tuesday.

Three Cuban refugees sailed the patrol boat SV-4 into Key West July 29. The \$3.2-million four-engine Electra was on a Miami-to-Tampa, Fla., run July 24 when a gun-toting passenger forced the pilot to fly it to Havana. The Cuban government was not directly involved. Castro released the 32 passengers and 5 crewmen but kept the plane and the hijacker, a naturalized American of Cuban birth.

Agreement to return the plane and patrol boat was worked out in a series of notes through Swiss channels.

State Moves to Take Over NYC Schools

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller has called a special session of the legislature for next Monday to take emergency action that could temporarily place New York City's scandal-ridden school system in the state's hands.

The action of the Republican governor was called "a grandstand play" by Democratic Mayor Robert F. Wagner, who currently is embroiled in a bitter mayoralty campaign.

Wagner, who is responsible for the nine-man board which oversees the school system, scheduled a meeting today with a special advisory committee he recently named.

The mayor refused to confirm or deny reports that he planned to beat the state to the punch by dismissing the nine-man board himself.

Rockefeller said the GOP-controlled legislature would consider measures "pertaining to the structure, management, supervision and control of educational affairs" in the city.

Rockefeller acted on the recommendations of the state education commissioner, James E. Allen Jr., that the state supersede the city's Board of Education with one appointed by the State Board of Regents.

The school which has been rocked in recent weeks by charges of construction fraud and poor maintenance, kickbacks and payoffs.

The charges were lodged against a background of a bitter primary election campaign between Wagner and State Comptroller Arthur Levitt, the city Democratic organization's candidate for the mayoral nomination.

Motorboat Kills Child on Ouachita

By THE ASSOCIATED PRESS

A motor boat struck and killed a 9-year-old Pine Bluff boy who was floating in an inner tube on Lake Ouachita near Hot Springs Sunday.

The tragedy brought to 24 the number of violent deaths in Arkansas in the week ended at midnight Sunday.

Thirteen drowned, including four in one accident at Magnolia Friday and four in another accident at Marianna Monday.

Six died in traffic accidents, two by shooting, and one in a fire and by stabbing.

John Henry Strodle, son of Mr. and Mrs. John Strodle of Pine Bluff was floating near a boat dock when he was run down by a boat driven by a 14-year-old Mabelvale, Ark., youth. The boat was pulling a water skier.

The body was recovered in 12 feet of water by divers.

Prosecuting Atty. David Whittington said the 14-year-old boy was charged with manslaughter and placed under \$1,000 bond.

The owners of the boat, Ft. W. Hall and Damon Hall of Mabelvale, were charged with violating a negligence provision of the state boating law, Whittington said.

They were placed under \$500 bond.

A car missed a bridge and plunged into Horseshoe Creek on a rural road 10 miles southeast of Magnolia Friday night and the four occupants of the car drowned.

The accident was not discovered until Saturday morning, when a passerby saw the car in the water.

The victims were identified as Billy Burdette, 29, and three Negroes — Orange Harper, 41, his wife, Addie Harper, 38, and Willie Williams, 44. All lived near Magnolia.

Roger Johnson, 20, of Biggers, son of the Rev. and Mrs. Thurman Johnson of Biggers, drowned in the Current River in miles north of Prescott Sunday. He and several other youths were swimming when he became exhausted and went under, police said.

Eichman's Trial Ends in Jerusalem

By GARYN HUDGINS

JERUSALEM (AP) — The trial of Adolf Eichmann ended today with an appeal from his defense attorney for the court to "close his file and judge him no more."

Presiding Justice Moshe Landau concluded the historic trial with the announcement that judgment and sentence will be handed down in November.

Eichmann's West German defense attorney, Robert Servatius, had the last word in the 17-week-old trial and rejected the complete case against the former Gestapo colonel accused of responsibility for the slaughter of six million European Jews in World War II.

Summing up for the defense, Servatius assailed point by point the prosecution charges that Eichmann readily and relentlessly carried out Hitler's orders for the extermination of Europe's Jews.

"This trial should have as its central theme not revenge but thought and truth," the defense attorney said.

"The conviction of the accused cannot avenge the atrocities committed. The time that passes must bring an end to the suffering and the wounds. Let there be a Solomonian judgment here to show the world the wisdom of the Jewish nation. I propose to this court to stop the proceedings against the accused, to close his file and to judge him no more."

Landau thanked Servatius and then adjourned the court. There was no indication as to why a verdict would be delayed until November. One had been expected in October.

Eichmann sat immovable during his counsel's summation of his defense.

As the judges retired to begin considering their verdict, Eichmann was led from the glass prisoner's dock where he has sat at all sessions since the first one April 11.

Police reinforcements around the building indicated Eichmann soon may be moved back to the small prison near Haifa where he was held after his capture by Israeli agents in Argentina in May of 1960. He has occupied a cell in the court building during the trial.

In his summation up, Servatius insisted that Eichmann was bound by an oath of loyalty and by orders from the state.

"If what the prosecution says is correct, then all the Nazis still being hunted can come out of hiding," Servatius declared.

"The great guilty one has been found—Adolf Eichmann."

The stocky, white-haired defense attorney challenged the authority of the special three-judge tribunal to try Eichmann for crimes against the Jewish nation.

"Since Israel did not exist as a nation at the time of Eichmann's activities, there could have been no crime against the Jewish nation," Servatius declared.

He also claimed the prosecution had failed to prove Eichmann:

1. Was an accomplice in the murder of the Jews.
2. Transferred gold teeth and hair of extermination victims to Germany.
3. Had a hand in the sterilization of Jews.

Brandenburg Gate Is Closed; Tension Over Berlin Grips Europe

Red Move Is 'Flagrant,' Says Rusk

By JOHN M. HIGHTOWER

WASHINGTON (AP) — President Kennedy called in Secretary of State Dean Rusk today for a conference in the mounting crisis over Berlin — presumably to discuss counter measures the West may take against the Communist ban on the flight of refugees from Red rule into West Berlin.

In another development Assistant Secretary of State Foy D. Kohler arranged a meeting with the ambassadors of Britain, France and West Germany for mid-afternoon to discuss actions the West may take beyond the lodging of a formal protest with the Soviet commander in East Berlin.

The range of actions, diplomats said, includes a possible retaliatory ban on travel from West Germany to East Germany — which could be a blow to the East German economy.

Kennedy conferred for 50 minutes with his ambassador to Russia, Llewellyn Thompson, soon after returning this morning from a weekend at Hyannis Port, Mass.

When leaving the White House, Thompson told reporters "I had a very interesting talk," but it's up to the President "to say what we talked about."

In reply to a question, he did confirm that the Berlin situation had been discussed.

The ambassador plans to fly to Washington late today and to leave tonight from New York to Frankfurt. From Frankfurt, he will go to join his family, now in Germany on vacation. Thompson said he did not know when he would return to Moscow.

The ambassador came to Washington late this week on instructions from Rusk. Both men had attended a series of diplomatic meetings in Paris.

Rusk denounced the Red crackdown on travel between East and West Berlin as a "flagrant violation" of agreements by the Soviet Union to permit "free circulation" within the city and between Berlin and the rest of Germany.

In a statement issued at the State Department Sunday, Rusk called the flight of thousands of Germans in recent weeks from Communist rule a proof of "the failures of communism in East Germany." And he said it was because of these "failures" that the Soviet Union and East Germany have embarked on "the dangerous course of threats."

Red Blockade Halts Exodus to the West

By GEORGE BOULTWOOD

BERLIN (AP) — Thousands of Communist police and battle-ready troops today barricaded East Berlin against escapees to the West as tensions and tempers rose to a danger point on both sides of the new Iron Curtain.

The Red clampdown was effective at least for the moment in damping the flood of refugees. Only about 25 to 30 made it across the border Sunday after a record of 4,100 crossed from noon Saturday until the Communists closed the border to East Germans before dawn Sunday.

The 10,000 East Berliners who work in the Western sector failed to show up at their jobs this morning—the first working day since the Reds barred all East Germans from travel to the West unless they got a special permit. So far there was no evidence any permits were being issued.

West Berlin Mayor Willy Brandt reported that Red police went into action against a group of East Berliners protesting the restriction Sunday, but West Berlin police said they had no word of any disturbances in the Soviet Zone today.

Apparently there was no immediate attempt by the workers to defy the ban, but many in the West feared an uprising that might draw the Western Allies and the Soviet Union into war.

So apparently did the Communists. The troops massed in East Berlin—estimated by some Western sources at about 30,000—were told by their officers President Kennedy, West German Chancellor Konrad Adenauer, and Brandt planned to incite a revolt and it was their job to put it down if it developed.

The admission of the possibility of an uprising was unusual since the East German rulers usually claim support from the broad masses.

Skirmishes broke out between angry West Berliners and Communist People's Police Sunday at several points along the 25-mile border that cuts the city in half. Thousands of West Berliners who massed along the border, shouting insults at the Red guards.

A high West German police official at the Brandenburg Gate—formerly one of the main escape routes for refugees—said the situation had become so tense "it just needs a spark to set the crowd off. I hope nothing will."

College Not Always 'Must' — Rockefeller

CONWAY, Ark. (AP) — Employers who arbitrarily require a college degree for any kind of employment only cheapen the meaning of the degree, millionaire Winthrop Rockefeller of Morrilton said Sunday.

In a speech to the graduating summer class of Arkansas State Teachers College, Rockefeller said this nation has built "a kind of folk tale belief" in the notion that everyone must go to college.

"This is a false concept of equality," he said. "For some a college education will add the most mileage for their abilities and for others different forms of experience will accomplish the same ends."

"It is the proper role of education in a democracy to give each person a chance to reach the upper slopes of his own individual capacities," Rockefeller said.

'Phone Link Cut Between Split Cities

By GEORGE BOULTWOOD

BERLIN (AP) — West Berliners clashed today with Communist East German forces at the Brandenburg Gate, a symbol of this city's division, in an angry challenge to the Red orders that clamped off the flow of refugees.

A few stones were thrown at the Communist police and troops, West Berlin police said, and the Communists replied with three tear-gas bombs. Witnesses reported a contrary wind carried the gas fumes back toward the Communists.

The East German government closed the gate, the chief crossing point between East and West Berlin, and severed phone connections with the West.

Communist factory militiamen in olive drab uniforms stood behind each of the gate's five archways, with rifles held across their chests. Personnel carriers with steel-helmeted troops of the East German People's army and powerful riot hose wagons were drawn up behind them.

About 120 militiamen armed with submachine guns formed a semicircle at the gate. Inside the semicircle at the gate. Inside the soldiers.

The throng on the West Berlin side had grown from perhaps a hundred to 3,000 by midafternoon. West Berlin police took a hard then to move back the crowd, say.

Next Money Move Up to Legislature

LITTLE ROCK (AP)—The next moves in solving the state's financial problems will be up to the legislature, expected to be called into special session next Monday. Before the lawmakers will be recommendations by the Legislative Council on how to squeeze out funds for a \$20.2 million expansion program. Most of the money is earmarked for construction.

The Legislative Council, the legislature's out-of-session arm, wound up 12 days of hearings Saturday by recommending that \$7.5 million be appropriated for construction at the state's institutions of higher learning. Recommendations for Appropriations totaling \$12.7 million for other institutions which would have benefited from the invalidated omnibus expenditures act and defeated \$60 million construction bond program were approved earlier in the series of hearings. The council also recommended that an additional \$3.35 million be used for the University of Arkansas and the state colleges if the money becomes available.

Funds for the overall spending program would come from an existing \$11,711,000 surplus; \$8.5 million from the state's reserve fund, and \$3,350,000 in anticipated tax revenues originally scheduled for use in retiring the proposed \$60 million bond issue, anticipated increases in general fund collections and revenue from an extra 12 days of horse racing at Hot Springs' Oaklawn Park.

Before closing shop Saturday the council recommended that Gov. Orval E. Faubus include in his call for a special session consideration of a plan to create an overall coordinating board for the university and the seven state-supported colleges.

The Legislative Council failed to recommend any funds for the Arkansas Children's Colony at Conway, which would have received \$4,002,000 under the construction bond plan and \$50,000 from omnibus act funds.

There were three attempts Friday and Saturday to make recommendations for construction at the colony, but all were beaten down. For construction at the university and colleges the council recommended \$10,850,000, compared to \$41,994,000 they would have received had the bond issue passed.

The University would receive \$3.1 million, compared to the \$16,974,000 it would have gotten had the bond issue passed. Arkansas A&M College for Negroes at Pine Bluff would get \$1 million; Arkansas State Teachers College at Conway, Henderson State Teachers College at Arkadelphia and Arkansas Tech at Russellville each would receive \$1.2 million; Arkansas State College at Jonesboro \$1,250,000; Southern State at Magnolia \$875,000; Arkansas A&M at Manti-cello \$850,000; and Arkansas State's Beebe branch, \$75,000.

Largest single appropriation recommended was \$6,048,440 for the State Hospital, which was slated to get \$12 million under the defeated bond plan.

Foreign Aid Faces Hurdle in House

WASHINGTON (AP)—With clear sailing apparently assured in the Senate, the administration's foreign aid program heads into stormy weather in the House today.

On both sides of Capitol Hill, debate was scheduled on measures authorizing a five-year \$8.8-billion development loan program financed by Treasury borrowing, plus the regular cash outlays for overseas assistance in the current fiscal year.

The Senate has before it an amendment by Sen. Leverett Saltonstall, R-Mass., and others under which either house could veto any development loan over \$10 million.

After two days of talk, the House expects to start voting on amendments Wednesday, with leaders predicting passage of its version of the program Thursday or Friday. The administration faces a stiff fight against efforts there to limit the loan program to two years and to cut the amount of funds available.

New APL Plant Down for Repair

HELENA, Ark. (AP)—A damaged turbine will cause Arkansas Power & Light Co.'s new \$4 million steam generating plant here to be out of commission for six to eight weeks. The plant was dedicated July 27. A bleeder valve failed and permitted metal parts to hit a high-speed fan. One of the turbine motors was shipped to a Pennsylvania factory for repairs.

160 'Riders' in Appeals Court Today

By VAN SAVELL

JACKSON, Miss. (AP)—More than 160 convicted "Freedom Riders," rallied by hymn-singing sympathizers, appear in Hinds County Court today for appeal trials.

County Judge Russell Moore convenes court at 3 p. m. EST. and under a year-old rule all 162 riders who posted appeal bonds after their breach of peace convictions were required to appear or forfeit their \$500 bonds.

But at least five of the segregation-defying riders earlier had announced their intention of not appearing. Their attorney petitioned a federal court to receive the five cases, and they were automatically transferred to U.S. District Court.

Officials of the ride-sponsoring Congress on Racial Equality (CORE) said at least 180 of the riders were in Jackson Sunday night.

The convicted riders returned to this Mississippi capital city of 70,000 in the same methods they had used to travel here earlier. But this time they refused to enter any segregated facilities.

The total number of arrested riders swelled to 307 Sunday, however, as two more persons tested segregation barriers in a bus terminal here. They were arrested by Jackson police as quickly as the earlier riders.

L. R. White Man Held for Rape

LITTLE ROCK (AP)—A 20-year-old white man was held here in connection with the rape of a white woman Aug. 5, police said.

The man was arrested early Saturday as he hid under an automobile. Officers said he carried a butcher knife and an ice pick, wore gloves and had a flashlight.

There had been numerous reports of a prowler in the residential area where the rape occurred, and several policemen were stationed in the area. They finally spotted the man and he was cornered after a chase.

His clothes fitted the description given by the rape victim, who said her attacker held a knife at her throat. The section is located near the Arkansas River a few blocks from downtown Little Rock.

The man was not identified, pending filing of charges.

Helena Bridge's Traffic Heavy

HELENA, Ark. (AP)—The new bridge over the Mississippi River here is doing a booming business. A total of 17,500 vehicles crossed it in the first two weeks of operation—and that's an average of 1,250 vehicles a day. Highway officials had said they hoped for an average of 750 a day within a year.

Faubus Speaks at New Factory

DES ARC, Ark. (AP)—Gov. Orval E. Faubus will speak to a crowd expected to reach 2,500 Tuesday at the official opening of the \$265,000 Phillips-Van Heusen Corp. shirt factory here. The factory, which went into operation three weeks ago, employs 90 and plans eventually to employ 300 workers and produce 550 to 600 dozen shirts a day.

Nice Family Terrorized By Juvenile Gang Leader

By HELEN WORDEN RSKINE

Dear Helen: I used to read about juvenile gangs and say to my husband, "Thank goodness, our children have never been involved with kids like that!" Then all of a sudden, our daughter has become involved and we live in terror.

You couldn't find a sweeter, prettier girl. She sings in the choir of our local church, is a high school graduate and has a fine job as receptionist for a big company. We all, including her three teenage brothers, think the sun rises and sets on her.

She and her father are baseball buffs. When she was 14 he organized his own team and made her umpire. You'd think they were doubling for Casey Stengel to hear them talk. Four years ago a team from another town played our home-towners. The out-of-town team drove up to the field half drunk and the captain took a shine to our 14-year-old daughter, found out where she lived and from then on, dogged her heels.

His team, it developed, was a juvenile gang. "My boys," he called them. They sharpened the buckles on their garrison belts and picked fights. Whenever something happened in their town, the police would yank the ring-leader out of bed for questioning. His mother was a no-good to. She told my daughter her son would get her one way or another. Shortly after, my daughter's boy friend was attacked by the gang and cut all over his chest with a razor blade. She told his father what had done it. The ring-leader suddenly vanished. We sighed with relief when we heard he had joined the Navy.

One day I found a letter from him to our daughter saying he was sending her a "rock" (diamond). Her father and I made her sit down and write him that she was through for good. Now he is 21 and back, crying on her shoulder and says he will straighten out. She's sorry for him. He still travels with the gang. We feel she deserves a better life than he could ever offer her. Your advice sure will be appreciated. —Frightened Mother.

Dear Frightened: If your daughter allies herself with this young man-good, even out of pity, she says ring of Miss So-and-So is au-

goodbye to all aspirations. Apparently, she hasn't developed the strength of character to recognize this attraction for what it is—physical. Since she has reached the age where she is free to lead her own life, all you can do is point out the pit-falls, and if financially possible, send her away to some foreign university like the Sorbonne, in Paris, where the change of environment will be radical.

Note to Mrs. M. W.: Any woman who enters into a Common Law marriage is in for heart-breaks. Leave your "husband" before he leaves you. The personal reply you ask for is impossible since you gave neither name nor address.

Dear Helen: My brother was married three years before his death. His widow—still a teenager when he passed away, naturally kept our name. Recently, she remarried, and when her picture appeared in the newspaper it carried the caption, "The man-no-good, even out of pity, she says ring of Miss So-and-So is au-

Malaya Gets a New Crown Prince

JOHORE, Malaya (AP) — The sultan of Johore unceremoniously made his second son crown prince Thursday, reportedly because of his elder son's plan to take a second wife.

The wealthy sultan, whose father's playboy activities were often in the news before World War II, deposed Prince Mahmud and named Prince Abdul Rahman heir to the throne of Malaya's richest state.

Muslim law allows a man four wives, but neither the sultan nor his father practiced polygamy.

Bar President Takes Over

ST. LOUIS, Mo. (AP) — John C. Satterfield, 57, a lawyer from Yazoo City, Miss., formally takes over today as president of the American Bar Association.

He has served for a year as president-elect of the association, which has 102,000 members.

The ABA ends its 84th annual convention today, with retiring president Whitney North Seymour of New York handing the gavel to Satterfield.

SUSPENSE

A Short Short Story

DEEPER THAN SKIN

By LESTER ARNO

"You can be beautiful if you think" beautiful! Now — close your eyes and think beautiful thoughts!"

Henrietta Bedlington obeyed. She closed her eyes.

The handsome face of Rosewell Revere continued to fill the television screen. "Are your eyes closed?" Revere asked.

Henrietta nodded.

"Good," Revere continued.

"Now that you are in the seventh week of our television course on Beauty, you are ready to be beautiful. Think with me of a lovely glade. It is green on its grassy slopes. You are lying there looking up at the fleecy white clouds. The birds are trilling beautiful melodies. The brook is babbling a beautiful song. The leaves in the trees are sighing beautiful sighs as the gentle wind rustles through them. You are in the midst of beauty. You are breathing beauty. You are saturating your body, your mind, your very soul, with beauty!"

Henrietta Bedlington saturated as the musical background of harp and flute came from the loudspeakers.

She continued to rest blissfully through a commercial for floor wax, a time signal and a cartoon about soft drinks which followed each other in quick succession. Then she opened her eyes as Rosewell Revere's voice spoke.

"And now, dear viewers, I must leave you until our next meeting. In the meantime, practice today's lesson. Practice while you do your housework, your sewing, your ironing. Keep in mind that beauty lotions and cosmetic preparations can only do so much for you. The real secret lies within your mind. Don't be misled by that false saying, 'Beauty is only skin deep.' Beauty is deeper than skin. It is deeper than muscle and bone and tissue. Beauty is something within you. It is within every woman. You only have to find it in yourself. Today, you have begun to find your hidden beauty. Continue to search for it. Today, say to yourself, 'All day long I shall think beautiful thoughts, I shall smile beautiful smiles.' And now, I must leave you. This is your personal beauty consultant, Rosewell Revere, saying to you not 'Beauty is as Beauty does'—but rather, 'Beauty is as Beauty thinks'!"

Roswell Revere's handsome face and famous smile faded from the television screen, but Henrietta Bedlington continued to sit and stare with unseeing eyes.

She was thinking a beautiful thought.

As the day progressed in the Bedlington home, Henrietta persisted in her plan to be beautiful. Beauty was in her heart and spread upon her face as she pushed the vacuum cleaner over the carpets, as she dusted the furniture, as she brought in the mail, as she ate her lunch of cottage cheese, diet canned fruit and skim milk. She smiled at the familiar surroundings and she smiled at the door-to-door salesman who called on her. She even smiled when she talked to her mother-in-law over the telephone.

Henrietta Bedlington had a truly beautiful day.

Her hair freshly combed, her face freshly made up, she was smiling as she heard John drive into the garage.

Henrietta Bedlington fairly shined from within as her husband came into the living room.

Her smile was dazzling.

"For Pete's sake! Who are you supposed to be tonight? Loretta Young?" John asked. "I've had a hard day at the office. Will you

Carry Back's Inaction Is Title Threat

BY ORLO ROBERTSON

Associated Press Sports Writer

Carry Back better hurry back to the races, or he's liable to lose his dwindling hold on the 3-year-old title.

While Katherine Price's stretch running ace, winner of the Flamingo, Florida Derby, Kentucky Derby and Preakness, has been recovering from injuries suffered in last June's Belmont Stakes, a real threat for the crown has arisen. He is Calumet Farm's Beau Prince, a son of Bull Lea.

Beau Prince, highly regarded by trainer Jimmy Jones during the winter and then kept out of the rich spring stakes by illness, started his belated bid for the title with an easy victory in the American Derby at Arlington Park Aug. 5.

He proved the American Derby come-from-behind triumph was no fluke when he romped away with the \$83,400 Travers at Saratoga last Saturday. Taking advantage of the slow early pace, the Calumet colt took command under Steve Brooks after three-eighths of a mile and remained on the front end for a 5 length decision over Mrs. Robert Dotter's Guadalupe.

Robert Lehman's Ambipolise was another length back in third place.

With 3-year-olds dominating the feature races Saturday, Harry O. H. Frejlinghuysen's Merry Ruler posted his fourth stakes triumph with victory over 15 others of his age in the \$32,050 Ventnor Turf Handicap at Atlantic City. The English-bred colt beat Opus by a half-length for a \$10.00 payoff and gave jockey Sellers, the nation's leading jockey, his fourth winner of the day.

Baltimore, 11 games back, edged Boston 6-5 in 11 innings when relief pitcher Arnold Early threw away a sacrifice bunt for a two-run error. Steve Barber struck out 11 but walked 11 in a route-going effort.

Little Luis Aparicio had a big day for the Chicago White Sox with three hits, four runs and two stolen bases in a 9-3 victory over the Kansas City A's.

Joe Koppe's first major league grand slam homer and bonus rookie Tom Satriano's steal of home enabled the Los Angeles Angels to post his fourth stakes triumph with victory over 15 others of his age in the \$32,050 Ventnor Turf Handicap at Atlantic City. The English-bred colt beat Opus by a half-length for a \$10.00 payoff and gave jockey Sellers, the nation's leading jockey, his fourth winner of the day.

Teen-Ager Heads U. S. Swim Team

By MURRAY ROSE

Associated Press Sports Writer

PHILADELPHIA (AP) — A sweet, teen-age girl with a "killer complex" in the water heads the youngest swim team ever picked to represent the United States in top-level international sports competition.

The lassie who is steel-hearted in the pool and sugar and spice out of it is Carolyn House, 15, successor to the great Chris Von Saltza as queen of American swimmers.

The freshly-crowned 200, 400 and 1500-meter free-style champion tops a squad of 12 swimmers and two divers selected in their performances in the national AAU outdoor championships to compete against Europe's best in five meets abroad. Aug. 16-Sept. 5, Susan Doerr, 16, butterfly stroke titlist and 100-meter world record breaker from the Philadelphia Vesper Boat Club, withdrew for personal reasons. She was replaced by Nancy Kanaby of the Multnomah A. C. of Portland, Ore. Nancy, at 23, is the oldest on the squad.

Miss House, a member of the on the squad

Miss House, a member of the 1960 Olympic team, became the only triple winner and high-point scorer (24) of the four-day national meet when she came from behind and raced off with a two-yard victory in the 200-meter free-style final Sunday.

Carolyn, of the Los Angeles A.C. (trained Robyn Johnson, 15, of the Northern Virginia A.C. (Arlington Va.) and Laurel Watson, 14, of Santa Clara (Calif.) A.C. for the first 100 meters. Then she poured it on in typical fashion. She pulled ahead by a yard at 150 and won by two yards going away from Robyn in 2:18.9.

"Carolyn is a thinker and a killer in the water," said George Breen, former Olympian and now coach of the Riviera Club of Indianapolis. "She watches Murray Rose (the Australian Olympic champion) all of the time and thinks and swims like he does. And Murray is the brainiest and toughest competitor in the water I've ever seen. Carolyn has his killer complex. She'll murder you."

In addition to Carolyn, the other winners at the 50-meter Kelly Pool were lovely Becky Collins, 17, of Indianapolis, who set a world record of 2:32.8 in the 200-meter butterfly; Nina Harmer, 15, of the Vesper B.C., who completed a backstroke double by taking the 100 in 1:11.0 and by a shade over Donna de Varona, 14, of Lafayette, Calif., and the Vesper 400-meter medley relay team in 4:50.3.

September Crucial for Ruth's Mark

By JACK HAND

Associated Press Sports Writer

Roger Maris and Mickey Mantle already are chipping away at Babe Ruth's wild September surge of 1927. The New York Yankees' D-D boys have 45 home runs with 15 to go to tie the record.

The Babe didn't hit No. 45 until Sept. 6, the year he set the all-time mark with 60 homers. It was his second of 17 in that famous September stretch drive that always has frustrated the most determined challengers.

Maris and Mantle now are 15 games ahead of Ruth's pace. He hit his 45th in game No. 132—including one tie—and they have 45 in 117 games (also including one tie).

Although Maris and Mantle each homered in the first game at Washington Sunday, it didn't mean a thing. The Senators handed the Yanks a 12-2 beating on Benny Daniels' five hitter. Maris came through again in the second game, won by the Yanks' Jim Coates 9-4.

Despite the split, New York stretched its American League lead to 3 1/2 games over the Detroit Tigers, who absorbed a 13-

Dodgers Win 6th Straight; Reds 2½ Back

By JACK HAND
Associated Press Sports Writer

The Los Angeles Dodgers are on the march with six straight and 19 victories in their last 22 games, but Cincinnati still is hanging on, only 2½ games back in the National League race.

Duke Snider, veteran Dodger, is leading the way with 14 hits in his last 30 trips as Los Angeles begins to dream of a rich World Series with the New York Yankees.

Cincinnati isn't folding. The Reds stuck right on the Dodgers' heels by snapping San Francisco's five-game winning streak 4-1. Wally Post drove in four runs in the Reds' farewell at Candlestick Park, where they won 8 of 11 starts.

Philadelphia lost its 16th in a row, 13-4 to Pittsburgh, but finally broke its scoreless streak after 20 innings. Milwaukee's Lew Burdette won his 14th with the help of a perfect day by Eddie Mathews, who had two walks and three hits, including his 23rd homer, in an 8-3 victory over the Chicago Cubs.

In the American League, Roger Maris and Mickey Mantle have 45 homers each after the New York Yankees split two with Washington. The Yanks took the second 9-4 after losing the opener 12-2. Detroit fell 3½ games behind New York by bowing to Minnesota 13-5. Baltimore edged Boston 6-5 in 11 innings. Chicago downed Kansas City 9-3, and Los Angeles shaded Cleveland 8-7.

Snider came through with a run-scoring double and a triple in five at bats against St. Louis, while Stan Williams shut out St. Louis 8-0 with eight hits. It was Williams' 11th victory and second shutout.

Cincinnati knocked out McCormick in the seventh inning when they broke a 1-1 tie with four runs and added three more in the ninth. Two came when Maltby lost Post's fly ball in the sun and let it fall for a double.

Tom Sturdivant, former American League, won his second for the Pirates, although the Phils got to him for 13 hits. Pittsburgh scored eight unearned runs in the sixth inning with the help of errors by Tony Taylor and Ruben Amaro, who had three misplays in the game. Bob Clemente led the Pirates with three singles and drove in three runs.

Mathews climbed into a 10th place tie with Joe DiMaggio in the all-time home run standings by hitting No. 361 of his career off Jim Brewer at Milwaukee. It was his first since July 23. By reaching base five straight times, Mathews ran his streak to nine in two days.

Barons Look to Pitchers in Stretch

By VERNON BUTLER
Associated Press Sports Writer

Birmingham's talented assortment of starting pitchers is getting extra doses of bull pen duty these days as Manager Frank Skaft pulls out all the stops in the stretch run for the Southern Association pennant.

Baron aces Howie Kopitz, Johnny Seale and Doug Gallagher are making almost daily appearances in order to keep daylight between the league leaders and the contending Chattanooga Lookouts.

Skaft called on Seale and Kopitz in the eighth inning Sunday and Gallagher in the ninth after starter Dick Egan ran out of gas at Nashville. Kopitz bailed Egan and Seale out of an eighth-inning jam but ran into trouble himself in the ninth, and Gallagher was waved in to quell the last Nashville uprising in Birmingham's 6-5 victory.

The triumph stretched the Barons' lead over Chattanooga to 1½ games. Macon nipped Chattanooga 6-5 in the ninth inning.

Atlanta protected its third place standing and broke a five-game Little Rock winning string 10-7. Shreveport and Mobile were rained out.

Birmingham opens a four-game home series with Shreveport tonight. Shreveport holds a 10-8 season advantage over the Barons.

Only 10% of All-Stars to Leave State

By WICK TEMPLE
LITTLE ROCK (AP) — The finest crop of high school All-Stars Arkansas has produced put out an impressive, thrilling show here Saturday, prophesying great things for college athletics in the state.

Only 10 of the 100 who played in the football and basketball games will go outside Arkansas to college.

The West was victorious on both fronts Saturday, winning the football game 18-13 on a last-minute pass and taking the basketball game 60-51.

The most striking thing about both games is that the University of Arkansas is getting most of the All-Stars who played important roles.

Billy Jones of Rogers, who scored 19 points with his driving, jumping antics, is headed for Coach Glen Rose's Arkansas Razorback basketball team, and Duddy Waller's freshman team this fall.

But end Jerry Watson of Atkins, who caught the pass that won the football game in the last 38 seconds, has not decided what college he will attend.

Watson tipped the pass from West quarterback Clifton Travis of England (Arkansas) at the goal line, knocked it into the air three times as he stumbled across the end zone, and caught it as he fell to the turf. The touchdown overcame a 13-12 East lead.

Billy Jones led a bevy of West little men through a fast-paced second half in the basketball game, wearing down the East's big men in 80-plus degree heat. The air conditioning system at Barton Coliseum went out and the big boys obviously felt the heat.

Also feeling the heat was the crowd of 5,500—the largest ever to see a basketball game in Arkansas.

The East football team held an edge over the West through most of the game, and three Arkansas-bound backs did most of the offensive work. They were quarterback Billy Gray and halfback Ken Hatfield of Helena and halfback Clayton McCaskill of Pine Bluff. Hatfield, a hard-running all-star who already looks like a college hallplayer, gained 80 yards on 12 carries. McCaskill gained 64 yards on 12 tries. Gray punted five times for a 37.5 yard average, and completed 3 of 10 passes for 41 yards.

Harold Rhoden of Rogers, another future Razorback, was as responsible for the West victory as any of those who scored the touchdowns or did the gaining. He punted nine times for an average of 40 yards and this continually set the aggressive East team back.

The two big lines offered several excellent prospects. Tackles David Clifton of Wynne, Gerald Martindale of Texarkana, Benny Steelman of Camden Fairview and guard Jack Powell of Stamps were all in the race for top time-honors. All are bound for Arkansas except Steelman, who will go to Arkansas A&M.

Thirty-eight of the stars will attend Arkansas.

The most conspicuous non-Arkansas prospects in the basketball game were Pitt McGeece of Fort Smith and Jerry Rook of Nettleton. McGeece, a defensive expert, will go to Oklahoma State. Rook, the man he guarded well but who scored 12 points anyway, is a prize catch of Arkansas State.

Bill Knight of Little Rock Central, whose rebounding was a major factor for the East, is headed for Arkansas on a football scholarship.

Jones teamed with Jim Atchley of Harrison (Arkansas) and Benny Pritchard of Mulberry (undecided) to run and shoot the West to its final edge. Jones missed tying the All-Star scoring record of 20 by only one point.

Wes Crawford of Blytheville (Hendrix) and Tom Davis of Batesville (State) two more East big men, helped their team to a 55-50 rebounding edge, but they were outshot 29 percent to 12 percent in the deadly heat.

The East team easily outgained the West in football, 269 ground yards to 137.

The flashiest run of the night was an 80-yard punt return by Ronnie Carter of Fordyce which produced the first East touchdown in the second quarter. Carter, who will attend Alabama, zipped up the left sidelines and outdistanced four West pursuers.

Late in the first half the West third team drove 42 yards to score under quarterback Ronnie Hern of Atkins. Hern went the final five yards around the left side.

In the third quarter, Gray directed a 63-yard East touchdown drive with McCaskill and Hatfield getting the key yardage and fullback Tommy Reese of Osceola skirting right end for the last three yards. Reese kicked the point to make it 13-6.

Then the West came back. LeRoy McLean, El Dorado fullback turned guard for the All-Star game, recovered an East fumble on the East 11 but fullback Garland Ridenour of Fort Smith was caught at the 20 for a loss and the East took over on downs again at the 20.

Then Martindale pounced on another East fumble at the 26 and West quarterback Gene Anderson of Siloam Springs came in to take over. He directed a four-play touchdown drive that included his 20-yard pass to Dwayne Cox of Sea Island, Ga., each shot 75 and wound up with 305 for a tie for third and fourth places.

Louise Suggs Wins Kansas City Open

KANSAS CITY (AP) — Louise Suggs headed for home in Atlanta, Ga., today for a rest following her decisive victory in the Kansas City Women's Open golf tournament.

Miss Suggs won the top prize of \$1,247.35 in the \$8,000 kiddy with a 2-under-par 72 Sunday. That gave her a 72-hole total of 295.

Closest rival was six strokes away, as Mickey Wright of San Francisco.
